It is not allow to change any elements of standard stand construction. If you want to change something you will pay for space without booth plus individual stand construction.

You can order additional services on Strefa Wystawcy.

2.4 INDIVIDUAL STAND CONSTRUCTION

Cost of stand constructions depends of project and the building contractor. You can choose standard stand construction or order from our department IdeaExpo individual stand construction. The exact valuation of individual construction is always determined with the exhibitor after approval of the project. The valuation prepared by IdeaExpo always includes elements of construction, furniture, fees for electrical connections, fees for using the power grid and a fee for waste disposal.
